Made in Switzerland

AS 1200 Battery Driven, Modular Spray Blower

Perfectly paired with the **REC 15 Battery Backpack Sprayer** or any other Birchmeier «Accu-Power» line units for your long distance, residual spraying and misting operations for nursery, pest control, mosquito, tree care, invasive plants and more.

Benefits

- **No emissions**
- **No fuel or oil to carry on your vehicle**
- **Reduces noise complaints**
- **Allows you to spray in any direction**
 - Up to 42 ft vertical and horizontal reach
- **Adjustable air speed** (5 steps + booster)
- **Can reduce chemical costs**
 - Unit stops, if trigger is not pressed
 - No dripping
- **Nice even applications**
 - Constant flow rates
- **Light weight and easy to carry**
